Announcements

Complete Health Improvement Program

The first new CHIP program to be held on The Sunshine Coast will commence March 16. As you know CHIP is now owned by the SHF and they have revised and updated all the materials. This will be a great opportunity to learn the latest in health information and renew your commitment to maintaining a vigorous healthy body. See Cedric Ward for a brochure, or to discuss this program (or you can phone him on 0414 734 598).

Car Boot Sale

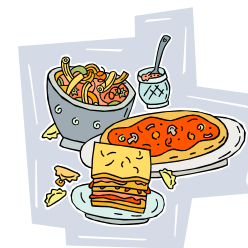

Our spirits could have been dampened on Sunday with the drizzly rain showers and Elsie tripped and fell hard on the bitumen and fractured her wrist while we were setting up, but we sent her off in an Ambulance and carried on, sharing some of our plastic covers with other stall holders.

Results: 18 stalls and \$325.40 for the day!

We have a great lot of friends at the markets, and a big Thankyou to Ann Miller and David Johnson for their wonderful help.

Church Luncheon Today ... All Welcome

Uprooting the Leading Causes of Death – A DVD by Dr Michael Greger will be screened in the church this Saturday afternoon (2:00 pm) following the fellowship luncheon. This is an excellent summary of the leading causes of premature death in western societies—and how to avoid them. Everyone should watch this DVD—the information presented is so important.
