## Announcements

**Next Sabbath: Creation Ministries International will be here for 3 faith-affirming and dynamic presentations by Dr Don Batten.**

Come and get some answers to real questions people are asking: Does God exist? How can anyone believe in religion when science has proved no God is necessary? Is evolution happening today? If there is a loving God, then why do we suffer and die? Get answers to these and many other important questions. Listen to Dr Don Batten expose the bankruptcy of evolutionary ideas. You'll be blown away to see how the supposed 'scientific evidence for evolution' is really nothing of the sort. This is an issue that affects everyone. According to the theory of evolution as taught in schools and universities, there is no need for God – everything made itself. But the Bible gives a very different picture about our origins. And many scientists now recognize that the scientific evidence, when properly understood, confirms the biblical account.

Invite your friends, bring some food to share at the luncheon, and enjoy!

Program Schedule:

9.30am **The Power and the Glory** (The Universe and Life Reveal the Creator)

11.00am **Answers to the Most-asked Questions**

Luncheon

2.00pm **Credible Creation Evidence** (& Question & Answer Time).

**Prayer Conference: April 4-6.**
