Nambour Seventh-Day Adventist Church

Welcome

Happy Sabbath! What a pleasure it is to welcome you to church today. We hope your day is one where you can sense the Father's love for you. May God speak to your heart as you worship and may you receive a special blessing this Sabbath.

Something for you to think about:

100 years on. . .

One hundred years ago the life expectancy for men in the US was 47 years,

Fuel for the Ford Model R car was sold only in pharmacies,

Only 14% of homes had a bathtub, only 8% of homes had a telephone,

The tallest structure in the world was the Eiffel Tower

More than 95% of all births took place at home,

90% of all doctors had no college education,

Most women washed their hair only once a month, and used Borax and egg yokes for shampoo,

One person out of five could not read or write,

BUT - a far higher percentage of people had a better knowledge of God's Word than folk do today.

Signs Rack

For some time we have had a literature rack at the Nambour Railway Station. This rack has in the past, provided a wonderful way to passively inform and bring people on their first steps to discovering Christ and the GOOD NEWS of what He has provided. At the entrance to the Church where our greeter Geoff Bacon greets people we have a box whereby you can drop off any pre-loved "Signs of the Times" magazines that you no longer need. Thank you.

Conference Announcements:

Church Ministry/Working Bee 22nd June

Its coming up, each persons chance to help make a difference around our Church. There is a list of items that caters for a range of people's abilities and skills on the notice board. We know that not everyone is available at the same time so arrangements can be made for other times if you don't have a key.

For less hands-on and enjoy exercise: we may have a group going out to Prayer walk and letterbox Ministry material.
God Bless, David
