Announcements

Your Input... (as requested in last week's bulletin for when it's light in announcements – remember to send your suggestions through)... All submissions will be anonymous. Thanks in advance.

'JUST ONE MINUTE'... Let us not for a moment make the mistake of cluttering Christ with other religious leaders. They are as distinct as noonday from midnight. Search the Koran and you will not find the name of Mohammed. Search the ancient Buddhist writings and the name of Buddha does not appear. But read the New Testament and you will find the name of Christ on nearly every page, and often more than once. There is a unique connection between Christ and Christianity. W. Griffith Thomas in *Christianity in Christ* wrote, "Wherein lies the uniqueness of Christianity? The Christian answer is Christ, the Person of Christ, the uniqueness of Christ and His work." "Christianity is the only religion in the world which rests on the Person of its Founder".

Consider this: *Christ is the only person who ever lived who claimed to be God, and yet was considered sane by the best of his contemporaries.* Blessings for a good walk with Jesus.
