Joash Repairs the Temple

—2 Chronicles 24

Restore the Temple

Use the code to discover how the people reacted to King Joash's proclamation.

One hundred and two years had passed since Solomon had died, and the temple had fallen into disrepair. Joash became the king when he was 7 years old. Years later he decided to restore the temple. He issued a proclamation in Judah and Jerusalem that everyone should bring to the Lord the tax that Moses had required of Israel (2 Chronicles 24:8-14).

Brass Band Instruments – Vanuatu...

As you will already be aware, Vanuatu is our Partner in Ministry (PIM). Local Conferences within Australia and New Zealand have a PIM that they support and resource as they are able. Glenn Townend recently visited Tana Island which is located in the Vanuatu Mission Territory. He arrived to a brass band welcome, which also played for church.

In a country where we often live in excess, he is hoping and praying the LORD may touch your heart to provide some **SECOND HAND BRASS INSTRUMENTS** to further the ministry on Tana.

There were many young boys and girls looking on in interest, and he would love to provide more instruments for these children to take an interest in and get involved.

If you have any old instruments lying around, or know of someone who would like to donate their old instrument (trombone, trumpet, tuba or euphonium), please contact Pastor Glenn Townend directly GlennTownend@adventist.org.fj at

JOIN THE BILLY CART FUN! – The Noosa Billy Cart Grand Prix will be held at Noosa Christian College (20 Belli Creek Road, COOROY) **TOMORROW @ 7.30am – 3.00pm.** This event is the annual school fun fair and fundraiser. 'JUST ONE MINUTE'...

"In John 4 we read the story of healing of the nobleman's son. After talking with Jesus, the father is so sure of the miracle he need not hurry home. That story tells us how to deal with all our problems. First – acknowledge the need, don't practice denial. Two – take it to Jesus. Three – accept Christ's promise that He has made provision for our need. He has a thousand ways of solving our problems of which we know nothing. Fourth, go on our way expecting that in God's time and way, all will be well. It is often the fourth step that is most difficult – we are tempted to fret and to scheme instead of trusting and pursuing our immediate duties."
