Recipe for a Happy New Year ...

- Anonymous

Take twelve fine, full-grown months; see that these are thoroughly free from old memories of bitterness, rancor and hate, cleanse them completely from every clinging spite; pick off all specks of pettiness and littleness; in short, see that these months are freed from all the past—have them fresh and clean as when they first came from the great storehouse of Time. Cut these months into thirty or thirty-one equal parts. Do not attempt to make up the whole batch at one time (so many persons spoil the entire lot this way) but prepare one day at a time.

Into each day put equal parts of faith, patience, courage, work (some people omit this ingredient and so spoil the flavour of the rest), hope, fidelity, liberality, kindness, rest (leaving this out is like leaving the oil out of the salad dressing— don't do it), prayer, meditation, and one well-selected resolution. Put in about one teaspoonful of good spirits, a dash of fun, a pinch of folly, a sprinkling of play, and a heaping cupful of good humour.

A New Year's Prayer. ..

- Anonymous

Dear Lord, please give me...

A few friends who understand me and remain my friends;

A work to do which has real value, without which the world would be the poorer; A mind unafraid to travel, even though the trail be not blazed;

An understanding heart;

A sense of humour;

Time for quiet, silent meditation;

A feeling of the presence of God;

The patience to wait for the coming of these things,

With the wisdom to recognize them when they come.

Amen.
