## When they need us, we're already there.

Every year more than 200 million people are affected by disaster – most of them already living in poverty. We know this is only going to get worse. With a presence in more than 120 countries across the globe ADRA is already there when people need us most.

**ADRA's Disaster and Famine Relief Offering** is happening on 21 February across Australia, and [we need your help!](#)

Please help us raise the \$250,000 we need to help more than 150,000 people affected by disaster every year. Your support will ensure that when they need us most, we're already there.
