Do you have a Box Trailer ...?

Our Church has extensive gardens which produce continual green waste that needs to be removed or transported to a main dumping area out the back of the church property. I know many of our members have personal box trailers which can be borrowed at any time but a lot of time would be saved if the church had its own.

Do you have a Box Trailer - registered/unregistered in good/poor condition that can be bought by the church to be used for keeping our church gardens tidy. Contact Moppy - Andrew Bruce 0414331969
