CONFERENCE WIDE OFFERING –

GLADSTONE CHURCH TODAY - New Roof and Guttering needed.

Please help us replace our roof. Gladstone church is 44 years old. Our church roof and guttering are extensively corroded and in need of replacement. We love the rain but would prefer that it stay outside our building. When it rains our youth room leaks leaving puddles of water on chairs, watermarks on the ceiling and notice board, and soggy carpet. We need to fix this urgently to minimize the damage but we can't do it without your help. Thank you for your support of this project.
