

The Awesomness of God!!

With thanks to Geoff Bacon

In Chemistry...

He turned water to Wine

In Biology ...

He was born without the normal conception

In Physics...

He disproved the law of gravity when he ascended into heaven

In Economics...

He disproved the law of diminishing return by feeding 5000 men (not including the women and children) with two fishes and five loaves of bread

In Medicine...

He cured the sick and the blind without administering a single dose of drugs

In History...

He is the beginning and the end

In Government...

He said that he shall be called Wonderful Counselor, Prince of Peace

In Religion...

He said no one come to the Father except through Him

So...Who is He?

He is Jesus!

He is worthy!
