Welcome

We give a warm welcome to our Church family and especially our visitors. We are glad you have come to worship with us today. May you receive a special blessing this Sabbath.

Teaching a child not to step
on a caterpillar

is as valuable to the child as it is to
the caterpillar.

- Bradley Millar

THOMAS HAS LOST HIS BIBLE!

Last seen Sabbath 7th May at Nambour Church.

Large, expensive Bible with beautiful photographs, facts, information and timelines.

Housed in a special leather zip up case.

Doc and Nanny gave it to him especially for his Baptism and it is very precious.

Please help!

The June/July School holidays are almost upon us and that can mean only one thing. That's right it's time for **STORMCO**.

Owen Thorley and his team of around 20 people are preparing to STORM Goondiwindi from July 1 to 8. They will be busy running kids clubs, conducting backyard blitz's, visiting retirement villages, playing games, worshipping, eating, laughing and having a sensational time. Please pray for this team as they head to Goondiwindi. We look forward to being able to help this team as they become the hands and feet of Jesus.

ADRA VOLUNTEER APPRECIATION SERVICE, JUNE 17, 3.30PM, SOUTH BRISBANE CHURCH

- Our volunteers and their supporters are key to the success of ADRA Australia, so we want to thank you in a special service just for you. This will be a wonderful time of thanksgiving, praise and worship, testimonies, and fellowship. Come along and be blessed – let's share what amazing things the Lord has done for us!

ADRA AUSTRALIA END OF FINANCIAL YEAR APPEAL

2017 - Because most Sub-Saharan Africans' livelihoods and agri-food systems rely on rain-fed farming, the region is one of the world's most vulnerable to climate change. This year marks the fourth consecutive year of drought, meaning four years of crop failure. Increasing the productivity of small-holder farmers through improved irrigation, fertilizer use, access to loans and markets has the potential to transform Africa's agricultural sector, to significantly increase economic growth and reduce poverty. ADRA projects in Africa including the Boost Project in Zambia, Wealth in the Soil Project in Zimbabwe, and Tsogolo Labwino III Project in Malawi, are working to improve agricultural productivity and improve food security. This end-of-financial year ADRA needs your help to raise \$1 million to help 25,000 farmers improve their resilience to drought, increasing farm productivity to ensure children and their families have every opportunity to flourish. Every dollar you gift attracts a 1:5 match through Australian NGO Cooperation Program (ANCP). Give freely this EOFY online at: adra.org.au/flourish or by calling 1800 242 372
